

EXHIBITOR SCHEDULE

6pm, Saturday November 20

Dismantling of exhibit areas cannot begin prior to 6pm on Saturday so schedule your travel/flight plans accordingly. If any company dismantles or packs up material prior to 6pm the penalties will be enforced, per the exhibit contract.

Virtual Hours / Breaks

Virtual sessions are streamed live from the event so, for the most part, you may expect virtual attendees to follow the same schedule and break pattern as in-person attendees.

Attendance Desk

Doctors must visit the Attendance Desk up to four times a day to get their badge scanned for proof of attendance.

Presidential Reception will take place from 5pm to 6pm on Saturday with FCA announcing prize drawings. During this time, attendees will seek to finalize purchases as the expo comes to a close at 6pm.

Hospitality Station

The Hospitality Station (HS) offers coffee in the morning beginning around 9:30am which coincides with the first morning attendance time from 9:40am to 10:20am. These stations will offer water once the coffee has been depleted. On Saturday, the HS station will feature an open bar from 5pm to 6pm.
